Dear Philadelphia Water Customer:

You are receiving this letter as a notification that a Philadelphia Water Department (PWD) construction job is beginning in your neighborhood. PWD has identified the water mains below as those that need to be replaced, in order to increase service reliability and reduce the chance of breakages.

Our work will take place in the coming months on the blocks listed below, in your neighborhood. As a neighbor in this community, you may not be directly impacted by the work, but we do want you to be aware of possible disruptions and traffic delays while this work is ongoing. This project will take place at these locations:

Location

Tomlinson Rd. from Greiner Rd. to Bustleton Ave.
Intersection of Jeanes St. and Tomlinson Rd.
Intersection of Gifford Ave. and Tomlinson Rd.

Type of Work

Water Transmission Main Relay
Water Main Relay
Water Main Relay

PWD Project Name & Website: #20650 Somerton Tank Street | water.phila.gov/20650

Contractor: AP Construction

Estimated Project Dates: May 2024 – December 2024

- During normal working hours (7:00am-3:30pm), it may be necessary to close the street
- Trash and recycling should be placed at the curb as regularly scheduled
- This project has both an engineer and inspector who will be on-site regularly to ensure that the work proceeds in a safe and professional manner
- Should you experience any problems as a result of the work, please talk with the inspector on the job site who will be wearing clothing identifying them as a PWD employee; their contact information is also on the Project Page site listed above
- If a water service line needs to be shut-off, the inspector will notify your block one business day in advance

If you are unable to contact the inspector at the job site, or have any other questions, please contact the engineer at the number listed below between 8:00 a.m. - 4:30 p.m. Monday thru Friday. Should a water emergency occur, please call the Water Department hotline at (215) 685-6300.

Further information about this project can be found at water.phila.gov/20650.

Sincerely,
Dave Pandya, Division Engineer
