

Water and Sewer Design Manual V3.3 Changes

This update to the design manual is to incorporate further changes and corrections from V3.2

- UTRS has been removed from the list of corrosion control contacts in [Section 6 D.4.a](#).
- Headers for 15 and 16 in [Section 6 E](#) have been corrected.
- Paragraph was added to the beginning of [Appendix IVi PennDOT Pre-EPS Submittal Form and Instructions](#).

Additionally, these contacts have changed:

- Design Branch Assistant Manager is now William Dobbins.
- William Dobbins' phone number has been updated to 215-685-6286.
- Walid A. El-Morshedy's phone number has been updated to 215-685-6290.
- Anthony Antonelli's email address has been corrected to anantonell@pa.gov.
