

Randy E. Hayman, Water Commissioner

December 27, 2024

Dear Philadelphia Water Customer:

You are receiving this letter as a notification that a Philadelphia Water Department (PWD) construction job is beginning in your neighborhood. PWD has identified the water mains below as those that need to be replaced, to increase service reliability and reduce the chance of breakages. This project will also install green stormwater infrastructure (GSI).

Our work will take place in the coming months on the blocks listed below, in your neighborhood. **As a neighbor in this community, you will not be directly impacted by the work;** we do want you to be aware of possible traffic disruptions and delays while this work is ongoing. This project will take place at these locations:

The affected blocks for **PWD Project #20583 Forrest / Wadsworth:**

**PWD Project Page:** [water.phila.gov/20583](http://water.phila.gov/20583)

**Estimated Project Dates:** February 2025 – April 2026

**Contractor:** Seravalli Construction, 215-969-6500

- During normal working hours (7:00am-3:30pm), it may be necessary to close the street
- Trash and recycling should be placed at the curb as regularly scheduled
- This project has both an engineer and inspector who will be on-site regularly to ensure that the work proceeds in a safe and professional manner
- Should you experience any problems as a result of the work, please talk with the inspector on the job site who will be wearing clothing identifying them as a PWD employee; their contact information is also on the Project Page
- If a water service line needs to be shut-off, the inspector will notify your block one day in advance

If you are unable to contact the inspector at the job site, or have any other questions, **please contact the engineers at the number listed below.** Should a water emergency occur, please call the Water Department at 215-685-6300. *If you need a copy of this information in another language, please call the number above.*

*Sincerely,*  
Shyam Thomas, Division Engineer
