**Construction Impacts**

- Typical construction hours are from 7:00 AM to 4:00 PM but can vary seasonally.
- Street parking and road access during hours of construction may be restricted. Temporary “No Parking” signs will be installed as needed for safety and construction.
- Pedestrian access, trash collection, and deliveries will be maintained.
- Residents should expect disruptions of water service for house connections to new pipes and when main connections are completed. Residents will be notified for expected shutoffs.

**On-site Contact Information**

Look for construction team members (wearing visible PWD clothing) regularly on site:

- **Project Inspector:** TBD; check project page
- **Construction Engineer:** Gary Seifert (267-592-8019)

**Reason for Project**

PWD Project #20587 will include the following improvements:

- **New Water Mains** to increase drinking water service reliability and reduce emergency breaks
- **Possible Lead Service Line Replacement:** Homes with confirmed lead or galvanized steel service lines are eligible for free replacements
