Dear Philadelphia Water Department Customer, Property Owner, and/or Current Occupant,

You are receiving this letter as a notification that a Philadelphia Water Department (PWD) construction job is beginning in your neighborhood. **Water mains will be replaced** to increase service reliability and reduce the chance of breakages. This project is also part of the City of Philadelphia's *Green City, Clean Waters* initiative – a 25-year plan to improve the quality of our waterways by **installing green stormwater infrastructure (GSI)** in our neighborhoods.

Our work will take place in the coming months on the blocks listed below, in your neighborhood. **As a neighbor in this community**, we want you to be aware of possible disruptions and traffic delays while this work is ongoing. This project will take place at these locations:

PWD Project Name & Website: #20601 Diamond / Page / 29th | water.phila.gov/20601

Estimated Project Dates: May 2024 – January 2025

Contractor: AP Construction

- During normal working hours (7:00am-3:30pm), it may be necessary to close the street
- Trash and recycling should be placed at the curb as regularly scheduled
- This project has both an engineer and inspector who will be on-site regularly, to ensure that the work proceeds in a safe and professional manner. Please talk with the inspector on the job site who will be wearing clothing identifying them as a PWD employee; their contact information is also on the Project Page.
- If a water service line needs to be shut-off, the inspector will notify your block one business day in advance

If you are unable to contact the inspector at the job site, or have any other questions, please contact the engineer at the number listed below between 8:00 a.m. - 4:30 p.m. Monday through Friday. Should a water emergency occur, please call the Water Department at 215-685-6300. **Further information about this project can be found at water.phila.gov/20601.**

Sincerely,
Dave Pandya, Division Engineer
