

# HYBRID Community Meeting

## South Street Water Main Replacements Information

Wednesday, October 16, 2024

**Where:** South Street Off  
Center, 407 South St, 19147

**Time:** 10:00 – 11:00am  
OR

**Google Meet link:**

[meet.google.com/ktb-bwds-ted](https://meet.google.com/ktb-bwds-ted)

Join us to learn more about planned water mains replacements for South Street and connecting streets. Residents and businesses are welcome to join and ask questions.

### About the Project

PWD is installing new water mains that carry clean drinking water throughout the City, to increase service reliability and reduce the need for emergency repairs.

**Learn more:**
