

33rd & Wallace Playground GSI

Planned Green Stormwater Infrastructure (GSI)

PWD GSI Project #: 50365

PWD GSI Project Page: <https://water.phila.gov/projects/p50365/>

Map Updated: July 2023

These green systems capture and store stormwater runoff to protect local waterways. For more information, please email Daniel.Schupsky@phila.gov or visit water.phila.gov/green-city/
