

Randy E. Hayman, Water Commissioner

09/14/2020

Dear Philadelphia Water Customer:

You are receiving this letter as a notification that a Water Department construction job is soon to begin in your neighborhood. The blocks listed are the blocks on which work will soon take place; however, as a neighbor in the same community, we want you to be aware of possible traffic disruptions and delays while this work is ongoing.

PWD has identified the water mains below as those that should be replaced due to age and material. We are installing new water pipes that carry water to homes and replacing the pipes that carry out stormwater and wastewater, to increase service reliability and reduce the chance of breakages. Prior to work starting, residents directly impacted by this work will receive an additional hand delivered letter to their home alerting them that work is soon to begin.

<u>Street</u>	<u>From</u>	<u>To</u>	<u>Type of work</u>
Fountain St.	Smick St.	Manayunk Ave.	Sewer & Water
Fowler St.	Fountain St.	Hermitage St.	Sewer & Water
Wilde St.	Hermitage St.	Leverington Ave.	Sewer & Water
Baker St.	Ripka St.	Dupont St.	Sewer & Water
Mallory St.	Wilde St.	High St.	Sewer & Water
Sheldon St.	Fountain St.	Hermitage St.	Sewer
Vicaris St.	Rock St.	Dead End on Vicaris St.	Sewer

Project: #40841 Baker / Wilde / Fountain

Contractor: AP Construction

Date: 9/24/2020 - 7/31/2022

- During normal working hours (7:00am-3:30pm) it may be necessary to close the street
- Trash should be placed at the curb as regularly scheduled
- The Water Department has assigned an engineer and inspector to the project who will be on-site every day
- Our engineer and inspector will ensure that the work proceeds in a safe and workmanlike manner
- Should you experience any problems as a result of the work, please talk with the inspector on the job site who will be wearing clothing identifying him/her as a Water employee
- The inspector will notify you one day in advance of any scheduled water shut-offs, of which several will be required over the course of the project
- Water shut-offs typically take place in the morning hours starting at 9:00am and may last 2 to 8 hours, depending on the complexity of the work

If you are unable to contact the inspector at the job site, or have any other questions, please contact me at the number listed below between 8:00am-4:30pm Monday thru Friday. Should an emergency occur, please call the Water Department hotline at (215) 685-6300. Further information about Philadelphia Water construction can be found at www.phila.gov/water/notifications. Questions can be sent to waterinfo@phila.gov.

Sincerely,
Walid EL-Morshedy
Division Engineer
215-685-6359
