

April 2026

Dear Philadelphia Resident,

The Philadelphia Water Department (PWD) is **starting construction on an infrastructure project** in your neighborhood. This project is called **E Cornwall / E Westmoreland (PWD Project #40922)**. The contractor assigned to this job is **AP Construction (856-227-2030)**.

Construction is Estimated to Start April 2026

Construction is expected to take place: **April 2026 – May 2027**. The project will include different types of phased infrastructure upgrades. PWD will alert you before planned service interruptions.

Construction Locations	New Water Main	New Sewer	New GSI System
E. Cornwall St. from F St. to G St.	✓	✓	Subsurface Trench
E. Cornwall St. from G St. to H St.	✓	✓	
E. Westmoreland St. from E St. to G St.	✓	✓	Subsurface Trench
F St. from E. Cornwall St. to E. Thayer St.			Tree Trench

Stay updated on project details on the PWD project page: water.phila.gov/40922

Construction Impacts

- Typical construction hours are from 7:00 AM to 4:00 PM but can vary seasonally.
- Street parking and road access during hours of construction may be restricted. Temporary “No Parking” signs will be installed as needed for safety and construction.
- Pedestrian access, trash collection, and deliveries will be maintained.
- Residents should expect disruptions of water service for house connections to new pipes and when main connections are completed. Residents will be notified for expected shutoffs.
- Check with SEPTA for any possible detours: www.septa.org

On-site Contact Information

Look for construction team members (wearing visible PWD clothing) regularly on site:

- **Project Inspector:** Mamadou Bah, mamadou.bah@phila.gov, 267-414-6388
- **Construction Engineer:** John Cahill, 215-570-7885
- **Division Engineer:** Shyam Thomas, 215-685-6350

Reason for Project

PWD Project #40922 will include the following improvements:

- **New Water Mains** to increase drinking water service reliability and reduce emergency breaks
- **New Sewers** to increase wastewater service reliability by reducing clogs and backups
- **Lead Service Line Replacement:** Homes with confirmed lead or galvanized steel service lines are eligible for free replacements. *For information on lead and customer responsibilities, visit water.phila.gov/lead*
- **New Green Stormwater Infrastructure Systems (GSI)** to capture stormwater, protect local waterways, and prevent combined sewer overflows

Map Updated: August 2025

Planned Green Stormwater Infrastructure (GSI) Improvements

Planned Infrastructure Improvements

- New Water Main
- New Sewer

This work will improve water and sewer services, and help protect waterways by reducing combined sewer overflows. Concept(s) subject to change. For more information reach out to water.construction@phila.gov or Nick Gayten@phila.gov or visit water.phila.gov/green-city.
