Dear Philadelphia Water Customer:

You are receiving this letter as a notification that a Philadelphia Water Department (PWD) construction job is beginning in your neighborhood. PWD has identified the water and sewer mains below as those that need to be replaced, to increase service reliability and reduce the chance of breakages. This project will also install green stormwater infrastructure (GSI).

Our work will take place in the coming months on the blocks listed below, in your neighborhood. **As a neighbor in this community, you will not be directly impacted by the work;** we do want you to be aware of possible disruptions and traffic delays while this work is ongoing. This project will take place at these locations:

The affected blocks for **PWD Project #40933 Atlantic / Estaugh:**

PWD Project Name & Website: #40933 Atlantic / Estaugh | water.phila.gov/40933

Contractor: Carusone Construction

Estimated Project Dates: January 2025 – Spring 2026

- During normal working hours (7:00am-3:30pm), it may be necessary to close streets
- Trash and recycling should be placed at the curb as regularly scheduled
- This project has both an engineer and inspector who will be on-site regularly to ensure that the work proceeds in a safe and professional manner and help residents with any problems or questions
- PWD inspector will be wearing 'PWD Employee' clothing; contact information is also found on Project Page site
- If a water service line needs to be shut-off, the inspector will notify your block one day in advance

If you are unable to contact the inspector at the job site, or have any other questions, please contact the engineer at the number listed below between 8:00 a.m. - 4:30 p.m. Monday through Friday. Should a water emergency occur, please call the Water Department at 215-685-6300.

More information about this project can be found at: water.phila.gov/40933.

Sincerely,
Anoop George, PWD Project Engineer (215-301-5494)
Dave Pandya, PWD Division Engineer (215-685-6352)
