Reason for Project

PWD Project #41078 will include the following improvements:

- **New Water Mains** to increase drinking water service reliability and reduce emergency breaks
- **New Sewers** or sewer lining to increase wastewater service reliability by reducing clogs and backups
- **Lead Service Line Replacement:** Homes on blocks getting new water mains, with confirmed lead or galvanized steel service lines, are eligible for free replacements. Visit: water.phila.gov/lead

Construction Impacts

- Typical construction hours are from 7:00 AM to 4:00 PM but can vary seasonally.
- Street parking and road access during hours of construction may be restricted. Temporary “No Parking” signs will be installed as needed for safety and construction.
- Pedestrian access, trash collection, and deliveries will be maintained. Check with SEPTA for detours.
- Residents should expect disruptions of water service for house connections to new pipes and when main connections are completed. Residents will be notified for expected shutoffs.
