

February 2026

Dear Philadelphia Resident,

The Philadelphia Water Department (PWD) is preparing an **infrastructure project** in your neighborhood. This project is called **S 48th / Walton / Cedar / Hazel (PWD Project #41103)**. The contractor assigned to this job is **Nello Construction Co.**

Construction is Estimated to Start Summer 2026

Construction dates may change. An additional letter will be sent when construction is scheduled. PWD will alert you before planned service interruptions.

Reason for Project

PWD Project #41103 will include the following improvements:

- **New Water Mains** to increase service reliability and reduce emergency breaks.
- **New Sewers** to increase service reliability by reducing clogs & backups.
- **New Green Stormwater Infrastructure Systems (GSI)** to capture stormwater, protect local waterways, and prevent combined sewer overflows. (This work can occur in public streets, sidewalks, and/or on public parcels.) *Learn more here: water.phila.gov/green-city/*
- **Possible Lead Service Line Replacement:** Homes with confirmed lead services lines are eligible for free replacements. (This work only happens on blocks receiving new water mains.)

Stay updated on project details on the PWD project page: water.phila.gov/41103

Contact our Construction Outreach inbox at Water.Construction@phila.gov with questions. Call the Water Department hotline at (215) 685-6300 for any emergencies.
