Construction Impacts

- Typical construction hours are from 7:00 AM to 4:00 PM but can vary seasonally.
- Street parking and road access during hours of construction may be restricted. Temporary “No Parking” signs will be installed as needed for safety and construction.
- Pedestrian access, trash collection, and deliveries will be maintained.
- Residents should expect disruptions of water service for house connections to new pipes and when main connections are completed. Residents will be notified for expected shutoffs.
- Check with SEPTA for any possible detours: www.septa.org

On-site Contact Information

Look for construction team members (wearing visible PWD clothing) regularly on site:

- **Project Inspector:** Nasir Halayqeh (215-906-4286)
- **Construction Engineer:** Jim Harley (215-410-9420)

Reason for Project

PWD Project #41108 will include the following improvements:

- **New Water Mains** to increase drinking water service reliability and reduce emergency breaks
- **New Sewers** to increase wastewater service reliability by reducing clogs and backups
- **Possible Lead Service Line Replacement:** Homes with confirmed lead or galvanized steel service lines are eligible for free replacements

Contact our Construction Outreach inbox at Water.Construction@phila.gov with questions. Call the PWD hotline at (215) 685-6300 for any emergencies.
