

May 31, 2024

Dear Philadelphia Water Customer:

You are receiving this letter as a notification that a Philadelphia Water Department (PWD) construction job is beginning in your neighborhood. PWD has identified the water mains below as those that need to be replaced, to increase service reliability and reduce the chance of breakages.

Our work will take place in the coming months on the blocks listed below, in your neighborhood. **As a neighbor in this community, you will not be directly impacted by the work;** we do want you to be aware of possible traffic disruptions and delays while this work is ongoing. This project will take place at these locations:

<u>Street</u>	<u>From</u>	<u>To</u>	<u>Type of Work</u>
S. 8 th St.	Mifflin St.	Morris St.	Water Main Reconstruction
Pierce St.	S. 9th St.	S. 8th St.	Water Main Reconstruction

PWD Project Name & Website: #41128 Mifflin / Watkins | water.phila.gov/41128

Contractor: Carusone Construction, Inc. (215-492-8070)

Estimated Project Dates: June 2024 – December 2025

- During normal working hours (7:00am-3:30pm), it may be necessary to close streets
- Trash and recycling should be placed at the curb as regularly scheduled
- This project has both an engineer and inspector who will be on-site regularly to ensure that the work proceeds in a safe and professional manner and help residents with any problems or questions
- PWD inspector will be wearing 'PWD Employee' clothing; contact information is also found on Project Page site
- If a water service line needs to be shut-off, the inspector will notify your block one day in advance

If you are unable to contact the inspector at the job site, or have any other questions, please contact the engineer at the number listed below between 8:00 a.m. - 4:30 p.m. Monday thru Friday. Should a water emergency occur, please call the Water Department at 215-685-6300. If you need a copy of this information in another language, please call 215-685-6300. **Further information about this project can be found at water.phila.gov/41128.**

Sincerely,

Dave Pandya, PE, Division Engineer: 215-685-6352
Anoop George, Project Engineer: 215-301-5494
