Projects & Construction

October 2026

Dear Philadelphia Resident,

The Philadelphia Water Department (PWD) is **starting construction on an infrastructure project** in your neighborhood. This project is called **Reno / 39th (PWD Project #41146).** The contractor assigned to this job is **Nello Construction.**

Construction is Estimated to Start October 2026

Construction is expected to take place: **Fall 2026 – Spring 2028.** The project will include different types of phased infrastructure upgrades. PWD will alert you before planned service interruptions.

Construction Impacts

- Typical construction hours are from 7:00 AM to 4:00 PM but can vary seasonally.
- Street parking and road access during hours of construction may be restricted. Temporary “No Parking” signs will be installed as needed for safety and construction.
- Pedestrian access, trash collection, and deliveries will be maintained.
- Residents should expect disruptions of water service for house connections to new pipes and when main connections are completed. Residents will be notified for expected shutoffs.
- Check with SEPTA for any possible detours: www.septa.org

On-site Contact Information

Look for construction team members (wearing visible PWD clothing) regularly on site:

- **Project Inspector:** Catrice Sanders, 267-650-9961
- **Construction Engineer**: John Anderson, 215-380-2551

Reason for Project

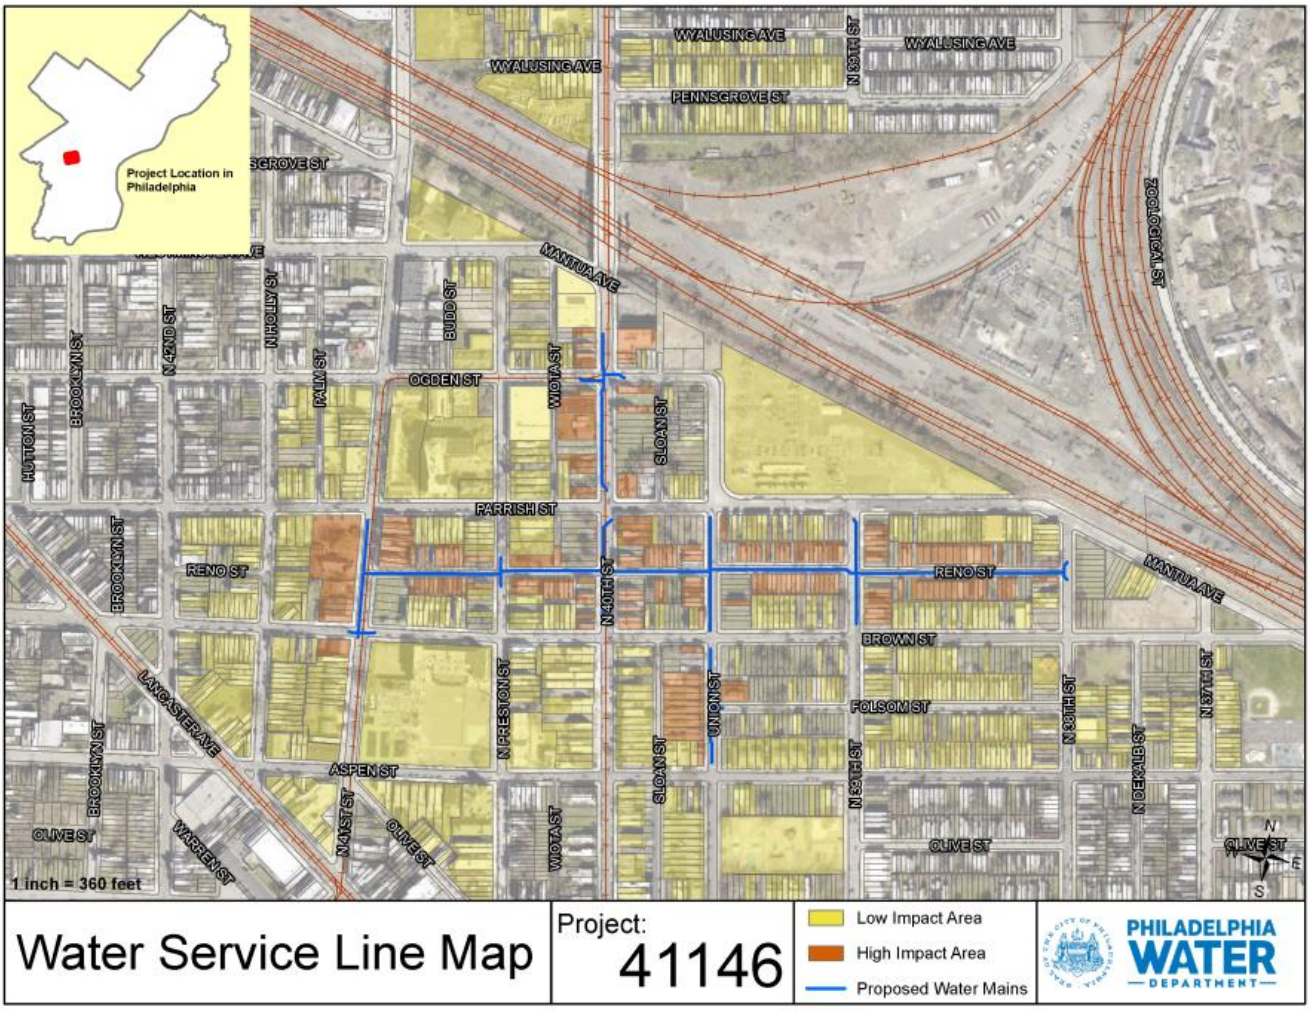

PWD Project #**41146** will include the following improvements:

- **New Water Mains** to increase drinking water service reliability and reduce emergency breaks
- **New Sewers** to increase wastewater service reliability by reducing clogs and backups
- **Lead Service Line Replacement:** Homes with confirmed lead or galvanized steel service lines are eligible for free replacements
