Dear Philadelphia Water Customer:

You are receiving this letter as a notification that a Water Department construction job is soon to begin in your neighborhood. The blocks listed below are the blocks on which work will soon take place; however, as a neighbor in the same community, we want you to be aware of possible traffic disruptions and delays while this work is ongoing.

PWD has identified the water mains and sewer pipes below as those that need to be replaced, in order to increase service reliability and reduce the chance of breakages. Prior to work starting on each of these blocks, residents directly impacted by this work will receive an additional hand delivered letter alerting them that work is soon to begin.
