

Dear Philadelphia Water Customer:

August 4, 2017

You are receiving this letter as a notification that a Water Department construction job is soon to begin in your neighborhood. The blocks listed below are the blocks on which work will take place; however, as a neighbor in the same community, we want you to be aware of possible traffic disruptions and delays while this work is ongoing.

This project is part of the overall Green Infrastructure Initiative implemented by City of Philadelphia to improve the stormwater management of your neighborhood. Green stormwater infrastructure includes a range of soil-water-plant or subsurface systems that intercept storm water, infiltrate a portion of it into the ground, evaporate a portion of it into the air, and in some cases, release a portion of it slowly back into the sewer system. Prior to work starting on each of these blocks, residents directly impacted by this work will receive an additional hand delivered letter to their home alerting them that work is soon to begin.

Street	From	To	Type
Moyer Street	E. Montgomery Ave	Berks Street	Green Stormwater Infrastructure
Almond Street	York Street	Boston Street	Green Stormwater Infrastructure
Amber Street	Lehigh Ave	Huntingdon Street	Green Stormwater Infrastructure
Lehigh Ave	Martha Street	Trenton Street	Green Stormwater Infrastructure
Tucker Street	Cedar Street	Memphis Street	Green Stormwater Infrastructure
Memphis Street	Tucker Street	Lehigh Ave	Green Stormwater Infrastructure
Lehigh Ave	Cedar Street	Memphis Street	Green Stormwater Infrastructure
Pop's Playground	Hazzard Street	Collins Street	Green Stormwater Infrastructure

Contractor: Miniscalco Construction

Date: 8/16/2017 – 3/04/2018

- During normal working hours (7:00am-4:00pm) it may be necessary to close the street
- Trash should be placed at the curb as regularly scheduled
- The Water Department has assigned an engineer and inspector to the project who will be on-site every day
- Our engineer and inspector will ensure that the work proceeds in a safe and workmanlike manner
- Should you experience any problems as a result of the work, please talk with the inspector on the job site who will be wearing clothing identifying him/her as a Water employee
- The inspector will notify you one day in advance of any scheduled water shut-offs, of which several will be required over the course of the project

If you are unable to contact the inspector at the job site, or have any other questions, please contact me at the number listed below between 8:00am-4:30pm Monday thru Friday. Should an emergency occur, please call the Water Department hotline at (215) 685-6300. Further information about Philadelphia Water Construction can be found at www.phila.gov/water/notifications. Questions can be sent to waterinfo@phila.gov.

Respectfully,
Pete Reilly
Division Engineer
215-685-5357
