

Randy E. Hayman, Water Commissioner

22 April 2022

Dear Philadelphia Water Customer,

I am writing to let you know that the Philadelphia Water Department (PWD) is planning a construction project in your area. The planned project will take place **on your street and on the sidewalks near your property** with the goal of managing stormwater and greening your neighborhood.

This project is a part of the City of Philadelphia's *Green City, Clean Waters initiative* – a 25-year program that keeps pollution out of rivers and creeks by using green tools to absorb stormwater that would otherwise overflow into our waterways during heavy storms. For more information about the program please visit: [water.phila.gov/green-city/](http://water.phila.gov/green-city/)

As part of this work, which is classified as **Green Stormwater Infrastructure (GSI) Project #50246 64th - 66th at Lindbergh**, PWD is planning to install the green tools listed below at the following locations:

- Several types of GSI systems including **stormwater bumpouts and stormwater tree trenches** on 66th Street, between Lindbergh Boulevard & Dicks Avenue
- Several types of GSI systems including **stormwater bumpouts, stormwater tree trenches, and subsurface stormwater storage trenches** on 64th Street, between Lindbergh Boulevard & Buist Avenue
- For more information about GSI projects in the city, please visit: [phillyh2o.info/green-map](http://phillyh2o.info/green-map)

For more information about the specific green tools planned for your area please view the enclosed document(s) and visit this project page: [water.phila.gov/projects/p50246/](http://water.phila.gov/projects/p50246/)

Construction is expected to begin in approximately **2-6 months**. However, please note that **this is an estimate** and the construction start date can be earlier or later than the anticipated timeline.

A follow up letter will be sent closer to the time of construction. In the meantime, please reach out to both myself and Amy Hopf ([Amy.Hopf@phila.gov](mailto:Amy.Hopf@phila.gov)) with any questions about the project.

If you want to receive email notifications from PWD please visit [phillyh2o.info/signup](http://phillyh2o.info/signup) to register.

Sincerely,

Dan Schupsky
