Construction Impacts

- Typical construction hours are from 7:00 AM to 4:00 PM but can vary seasonally.
- St. parking and road access during hours of construction may be restricted. Temporary “No Parking” signs will be installed as needed for safety and construction.
- Pedestrian access, trash collection, and deliveries will be maintained.
- Residents should expect disruptions of water service for house connections to new pipes and when main connections are completed. Residents will be notified for expected shutoffs.
- Check with SEPTA for any possible detours: www.septa.org

Reason for Project

PWD Project #50287 will include the following improvements:

- **New Green Stormwater Infrastructure (GSI) Systems** to capture stormwater, protect local waterways, and prevent combined sewer overflows.
- **New GSI Sewer:** Sewers are installed to capture stormwater and bring to new GSI systems.

Contact Water.Projects@phila.gov with questions. Call the PWD hotline at (215) 685-6300 for any emergencies. Stay updated on project details on the PWD project page: water.phila.gov/50287.
