

April 2026

Dear Philadelphia Resident,

The Philadelphia Water Department (PWD) is **starting construction on an infrastructure project** in your neighborhood. This project is called **Tacony Edge (PWD Project #50300)**. The contractor assigned to this job is **Athena Contracting Construction**.

Construction is Estimated to Start May 2026

Construction is expected to take place: **May 2026 – November 2026**. The project will include different types of phased infrastructure upgrades. PWD will alert you before planned service interruptions.

Stay updated on project details on the PWD project page: water.phila.gov/50300

Construction Locations	New GSI System
Wellington St from Cottage St to Gillespie St	Tree Trench
Wellington St from Gillespie St to Jackson St	Bumpout, Tree Trench
Wellington St from Jackson St to Glenloch St	Bumpout
Wellington St from Glenloch St to Ditman St	Bumpout, Tree Trench
Wellington St from Ditman St to Marsden St	Bumpout
Wellington St from Torresdale Ave to Vandike St	Tree Trench
Wellington St from Hegerman St to Edmund St	Tree Trench

Construction Impacts

- Typical construction hours are from 7:00 AM to 4:00 PM but can vary seasonally.
- Street parking and road access during hours of construction may be restricted. Temporary “No Parking” signs will be installed as needed for safety and construction.
- Pedestrian access, trash collection, and deliveries will be maintained.
- Residents should expect disruptions of water service for house connections to new pipes and when main connections are completed. Residents will be notified for expected shutoffs.
- Check with SEPTA for any possible detours: www.septa.org

On-site Contact Information

Look for construction team members (wearing visible PWD clothing) regularly on site:

- **Project Inspector:** Stephen Kearney, (609) 707-9261
- **Construction Engineer:** Jaime Cuadro, (215) 240-0403
- **Division Engineer:** Frank Stollenwerk, (215) 964-8036

Reason for Project

PWD Project #50300 will include the following improvements:

- **New Green Stormwater Infrastructure Systems (GSI)** to capture stormwater, protect local waterways, and prevent combined sewer overflows. (Work occurs in public streets, sidewalks, or on public parcels.)

Contact Water.Construction@phila.gov with questions. Call the PWD Hotline at 215-685-6300 for emergencies.
