

November 2025

Dear PWD Customer, Property Owner, and/or Current Occupant,

This is the first in a series of letters to let you know that we are preparing a **project** in your neighborhood. This project is called **Herbert Overington (PWD Project #50321)**. The contractor assigned to this job is **Phillip Pio Construction, Inc.**

**Construction is Estimated to Start Spring 2026**

Construction dates may change. An additional letter will be sent when construction is scheduled. PWD will alert you before planned service interruptions.

**Reason for Project**

PWD Project #50321 will include the following improvements:

- **New Water Mains** to increase service reliability and reduce emergency breaks.
- **New Green Stormwater Infrastructure Systems (GSI)** to capture stormwater, protect local waterways, and prevent combined sewer overflows. (This work can occur in public streets, sidewalks, and/or on public parcels.) *Learn more here:* [water.phila.gov/green-city/](http://water.phila.gov/green-city/)
- **Possible Lead Service Line Replacement:** Homes with confirmed lead service lines are eligible for free replacements. (This work only happens on blocks receiving new water mains.)

Stay updated on project details on the PWD project page: [water.phila.gov/50321](http://water.phila.gov/50321)

Contact our Construction Outreach inbox at [Water.Construction@phila.gov](mailto:Water.Construction@phila.gov) with questions. Call the Water Department hotline at (215) 685-6300 for any emergencies.
