

April 2026

Dear Philadelphia Resident,

Construction is starting soon for a **Philadelphia Water Department (PWD) infrastructure project** in your neighborhood. This project is called **Herbert Overington (PWD Project #50321)**. The contractor assigned to this job is **Pio Construction Inc.**

Construction is Estimated to Start March 2026

Construction is expected to take place: **April 2026 – January 2027**. The project will include different types of phased infrastructure upgrades. PWD will alert you before planned service interruptions.

Construction Locations	New Water Main	New GSI System
Rutland St. from Large St. to Naples St.	✓	
Large St. from Arrott St. to Foulkrod St.	✓	
Overington St. from Rutland St. to Horrocks St.	✓	GSI Subsurface Trench
Leiper St. from Orthodox St. to Overington St.		GSI Subsurface Trench
Large St. from Orthodox St. to Herbert St.		Tree Trenches
Horrocks St. from Overington St. to Foulkrod St.		Tree Trenches

Stay updated on project details on the PWD project page: water.phila.gov/50321.

On-site Contact Information

Look for construction team members regularly on site:

- **Project Inspector:** Gene Palmieri (Cedarville Engineering), 484-571-9955
- **Construction Engineer:** Tyler Krechmer (JMT), 267-630-4971
- **Division Engineer:** Khadija Tadimi, 267-234-1941

Construction Impacts

- Typical construction hours are from 7:00 AM to 4:00 PM but can vary seasonally.
- St. parking and road access during hours of construction may be restricted. Temporary “No Parking” signs will be installed as needed for safety and construction.
- Pedestrian access, trash collection, and deliveries will be maintained.
- Residents should expect disruptions of water service for house connections to new pipes and when main connections are completed. Residents will be notified for expected shutoffs.
- Check with SEPTA for any possible detours: www.septa.org

Reason for Project

PWD Project #50321 will include the following improvements:

- **New Green Stormwater Infrastructure Systems (GSI)** to capture stormwater, protect local waterways, and prevent combined sewer overflows
- **New Water Mains** to increase drinking water service reliability and reduce emergency breaks
- **Possible Lead Service Line Replacement:** Homes with confirmed lead or galvanized steel service lines are eligible for free replacements

Contact Water.Construction@phila.gov with questions. Call the PWD hotline at (215) 685-6300 for emergencies.
