

May 2026

Dear Philadelphia Resident,

The Philadelphia Water Department (PWD) is **starting an infrastructure project** in your neighborhood. This project is called **Harbison Ave Streets 1 (PWD Project #50332)**. The contractor assigned to this job is **Heidelberg Materials TDPS**.

**Construction is Estimated to Start June 2026**

Construction is expected to take place: **June 2026 to January 2027**. The project will include different types of phased infrastructure upgrades. PWD will alert you before planned service interruptions.

Construction Locations	New Water Main	New GSI System
Battersby St from Devereaux Ave to Hale St		Tree Trenches
Brous Ave from Devereaux Ave to McKinley St		Tree Trenches
Brous Ave from Robbins St to Harbison Ave		Tree Trenches
Harbison Ave from Robbins St to Levick St		Subsurface / Tree Trenches
Robbins St from Battersby St to Hawthorne St		Tree Trenches
Hawthorne St from Frankford Ave to Levick St		Tree Trenches
Hawthorne St from Levick St to Hellerman St	✓	Tree Trenches
Levick St from Battersby St to Hawthorne St	✓	

Stay updated on project details on the PWD project page: [water.phila.gov/50332](http://water.phila.gov/50332)

**Construction Impacts**

- Typical construction hours are from 7:00 AM to 4:00 PM but can vary seasonally.
- Street parking and road access during hours of construction may be restricted. Temporary “No Parking” signs will be installed as needed for safety and construction.
- Pedestrian access, trash collection, and deliveries will be maintained.
- Residents should expect disruptions of water service for house connections to new pipes and when main connections are completed. Residents will be notified for expected shutoffs.
- Check with SEPTA for any possible detours: [www.septa.org](http://www.septa.org)

**On-site Contact Information**

Look for construction team members (wearing visible PWD clothing) regularly on site:

- **Project Inspector:** Ali Salehi, (267) 886-2899
- **Construction Engineer:** Jaime Cuadro, (215) 240-0403
- **Division Engineer:** Frank Stollenwerk, (215) 964-8036

**Reason for Project**

PWD Project #50332 will include the following improvements:

- **New Green Stormwater Infrastructure Systems (GSI)** to capture stormwater, protect local waterways, and prevent combined sewer overflows. (Work occurs in public streets, sidewalks, or on public parcels.)
- **New Water Mains** to increase drinking water service reliability and reduce emergency breaks
- **Possible Lead Service Line Replacement:** Homes with confirmed lead or galvanized steel service lines are eligible for free replacements. (This work only happens on blocks receiving new water mains.)

Contact [Water.Projects@phila.gov](mailto:Water.Projects@phila.gov) with questions. Call the PWD Hotline at 215-685-6300 for emergencies.
