

66th and Paschall Ave

Planned Green Stormwater Infrastructure (GSI) Projects

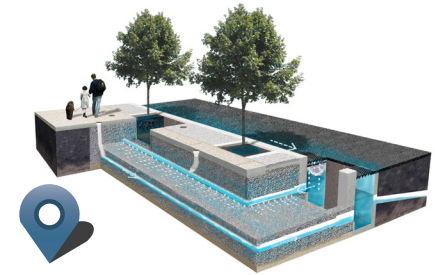

PWD Project Number: **50392**

PWD Project Page: water.phila.gov/projects/p50392

Last Updated: **September 2023**

PHILADELPHIA
WATER
— DEPARTMENT —

Tree Trench

These GSI systems capture and store stormwater runoff to protect local waterways. Concept subject to change.

For more information reach out to Daniel.Schupsky@phila.gov or visit water.phila.gov/green-city.
