## Credit Application Requirements

The Philadelphia Water Department will only review completed credits applications. An application is complete when all of the required supporting documents are received.

### **Required Information:**

All of the following must be provided with this application (check if attached)

#### **NRCS- Curve Number Open Space (GA Credit)**

- Recent site photos

#### **Impervious Area Reduction (IAR)**

- Site plan delineating requested credit areas
- Recent photos of all roof disconnection, pavement disconnection, and tree canopy credit areas

#### **Managed Impervious Area (IA/GA Credit)**

- Site plan delineating requested credit areas

For Stormwater Management Practices: Must have received the Record Drawing Compliant letter and the associated O&M Agreement must have been recorded. Also include inspection reports, labeled photo log, and a record of maintenance activity for each SMP. Template inspection forms can be found here:

<https://water.phila.gov/stormwater/incentives/credits/>

- Note, stormwater management projects with SMPs may require as-built grading information to confirm drainage area capture by the SMP. This requirement is up to the discretion of Stormwater Incentives and may extend beyond the requirements for as-built verification and approval for projects meeting Stormwater Regulations.
- For Surface Water Discharge: Recent photos of surface water discharge drainage areas and all stormwater conveyance and outflow system components

#### **NPDES Credit**

- Copy of current NPDES Industrial Stormwater discharge Permit
- Copy of the results of the required PADEP *Discharge Monitoring Report* from the previous twelve (12) months
