SPECIFIC INSTRUCTIONS

- | | | |
|--------|-------|--|
| Item 1 | A – B | Provide all requested information about the facility. |
| Item 2 | A – B | Provide all requested information regarding the facility representative being designated as the authorized signatory for the facility's reports to the City. See "Signatory Requirements" below, section (c)(2), for definition of who may be designated to sign facility reports. |
| Item 3 | | This report must be certified and signed by an authorized representative as well as the designated signatory. See "Signatory Requirements" below, sections (a) and (b) for the definition of authorized representatives of a contractor/consultant and section (c) for definition of who may be designated to sign facility reports. |

Signatory Requirements – Groundwater Discharge Permit

All applications, reports or information submitted to the City as required by this Permit shall be signed and certified as specified at 40 CFR 403.12(l) by an authorized representative defined as one of the following:

- (a) By a responsible corporate officer, if the contractor/consultant submitting the reports is a corporation. For the purpose of this paragraph, a responsible corporate officer means:
 1. a president, secretary, treasurer, or vice-president of the corporation in charge of a principal business function, or any other person who performs similar policy- or decision-making functions for the corporation; or,
 2. the manager of one or more manufacturing, production or operation facility, provided the manager is authorized to make management decisions which govern the operation of the regulated facility including having the explicit or implicit duty of making major capital investment recommendations and initiating and directing other comprehensive measures to assure long-term environmental compliance with environmental laws and regulations; can ensure that the necessary systems are established or actions taken to gather complete and accurate information for control mechanism requirements; and where authority to sign documents has been assigned or delegated to the manager in accordance with corporate procedures.
- (b) By a general partner or proprietor if the contractor/consultant submitting the reports is a partnership or sole proprietorship, respectively.
- (c) By a duly authorized representative of the individual designated in paragraph (a) or (b) of this section if:
 1. The authorization is made in writing by the individual described in paragraph (a) or (b);
 2. The authorization specifies either an individual or a position having responsibility for the overall operation of the facility from which the Industrial Discharge originates, such as the position of plant manager, operator of a well, or well field superintendent, or a position of equivalent responsibility, or having overall responsibility for environmental matters for the company; and
 3. The written authorization is submitted to the City.
- (d) If an authorization under paragraph (c) of this section is no longer accurate because a different individual or position has responsibility for the overall operation of the facility, or overall responsibility for environmental matters for the company, a new authorization satisfying the requirements of paragraph (c) of this section must be submitted to the City prior to or together with any reports to be signed by an authorized representative.
