

FOR PROPERTY OWNERS, PROPERTY MANAGERS, AND DEVELOPERS

Stormwater Credits can lower your monthly bill!

Approved stormwater management practices make your property eligible for a lower monthly bill.

+ Financial & environmental incentives

for non-residential, condominium, or multi-family residential properties.

+ Keep your monthly costs down

while managing and maintaining stormwater on your property.

+ Already compliant with our Stormwater Regulations?

Congratulations, you are eligible!

A rain garden at Adaire Elementary School in Fishtown.

"Through these credits, the District is able to support Green Stormwater Infrastructure maintenance programs, engage students in stewardship and enhance benefits of the green space it provides in schoolyards across Philadelphia."

– Teresa Fleming, Chief Operating Officer at the School District of Philadelphia
